## **::ADVISORY ABOUT USE OF HELMET::**

### *(Mandatory Use of Helmet and Adherence to Parking Guidelines for Two-Wheeler Riders)*

It has been observed that several students are riding two-wheelers within and outside the University campus without wearing helmets, which poses a serious risk to their safety. In view of the recent road accidents and keeping in mind the safety and discipline of all students, the following advisory is hereby issued for strict compliance:

#### **1. Wearing of Helmet:**

- All students riding two-wheelers (bike/Scooty, etc.) are **mandated to wear a helmet** at all times while entering, leaving, or riding within the University campus.
- Security personnel have been instructed to strictly enforce this rule. Entry without a helmet shall not be permitted.

#### **2. Parking Regulations:**

- All two-wheelers must be **parked only in the prescribed parking areas** designated by the University.
- Any vehicle found parked outside the authorized parking zones will be liable for disciplinary action, and the vehicle may be locked at the owner's risk.

#### **3. Safety and Conduct:**

- Students are advised to follow traffic rules and drive responsibly within the campus premises.
- Over-speeding, triple-riding, and stunt driving are strictly prohibited and will attract disciplinary action.

The University appeals urges all students to strictly adhere to these safety measures in the interest of their own well-being and that of others. Non-compliance will be viewed seriously.

*Your cooperation in maintaining a safe and disciplined campus environment is highly appreciated.*
