Advisory to all the Staffs, Students and Faculty Members of Gautam Buddha University

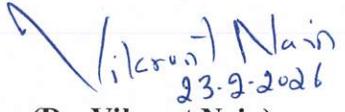

The University takes pride in its vibrant community of students, faculty, and staff who work together to maintain a positive and constructive academic environment. In an era of widespread digital communication, we urge all members to exercise caution, maturity, and responsibility while expressing themselves online or offline.

All individuals are kindly advised to refrain from posting, sharing, or circulating any content—whether on social media, messaging platforms, posters, pamphlets, or any other medium—that is false, misleading, or defamatory against the University, its authorities, faculty, staff, or fellow students. Such actions, even if unintentional, which disrupt academic harmony, and damage the collective reputation and orderly functioning of the University, shall be treated as serious misconduct. All are advised to refrain from activities or communications that disrupt academic/administrative functioning, compromise campus safety, or harm the institutional reputation under any circumstances.

The University firmly believes in resolving concerns through dialogue and established grievance redressal mechanisms. Students and staff are encouraged to approach the appropriate authorities with any genuine issues rather than resorting to public platforms or unauthorized demonstrations. Let us collectively uphold the dignity and discipline of our campus. Any act that compromises mutual respect or institutional order may attract disciplinary action as per University rules.

As a safety measure, taking cognizance of earlier communication, all staffs, students and faculty members must carry their university identity cards at all times, which is mandatory, and produce the same whenever asked by the security/concerned.

This advisory takes immediate effect.
